

Advance-Nilfisk Part

Advance-Nilfisk Parts - Imagine how tiresome it would actually be to tidy up your own home right after having a large party, without help from cleaning equipment. Before, the time upholstery and carpets had the dirt beat out of them by hand; brooms, cleaning cloths and brushes were the best cleaning materials during that time.

P.A. Fisker, the founder of Nilfisk-Advance, was an electrical engineer who loved working with electrical motors. Starting the company in 1906, he began to make motors to be able to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's dream from the beginning was to own a global company selling products worldwide.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning industry. Mr. Fisker invented an incredible, ground breaking vacuum cleaner which can be operated by one individual for the reason that it just weighed 17.5 kilos! This invention came in a time where numerous cleaning machines were huge and needed 4 or more operators, therefore, the Nilfisk C1 changed everything and developed the manner we clean forever. The mastermind behind these very first cleaning equipment remains unparalleled. Cleaning equipment provide an excellent solution to an ongoing dilemma; things get dirty and have to be cleaned on a regular basis, without a lot of effort.

Little by little, the company Nilfisk-Advance expanded all through the years. During the early 1980's the company grew fast when the company became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance ahead within the trade, aspiring to be an active worldwide player in manufacturing professional cleaning machines. Nilfisk-Advance is currently located in all parts of the world due to steadily acquiring a lot of smaller companies to be able to develop their product portfolio and presence in new markets. They are really proud to offer different cleaning solutions to fit each and every requirement.
